

The Easter Survey - (on the next page)
www.yourpersonalministry.wordpress.com

Note: the survey is only on one side of the page on purpose. Fold the sheet of paper in half. When it is time to draw the diagram, draw it on the back so that you can tear it off from the survey and offer the picture to them to take home. Write down your contact information and church website on it. Keep the survey portion and pray for their decision.

Part 1: Initiating a Gospel Conversation

[with People You Know] Just share something about your church, prayer, a friend in Bible study, anything about faith and then ask this question: "I'm curious, I've never asked you this before, how would you describe Christianity?" Then listen to them carefully. The follow up question to allow you to share the gospel is: "Could I draw a picture for you that someone drew for me that helped me answer that question?"

[with Random People] Use a "[Church Survey](#)". Say, "Excuse me. Can you help me? I go to (your church name), and we are always interested in what people think about church. Do you have five minutes to answer three questions?"

1. Why do you think people go to church?

2. Is religion important to you?

3. If you had to describe Christianity to someone, what would you say?

The follow up question to allow you to share the gospel with them is: "Would you be interested to know how I would answer that last question?"

Part 2 : Sharing the Gospel

Share with them the Gospel. See [The Diagram](#) webpage. Be sure to ask them if they want to start a relationship with Jesus.

If they say "**YES**" then Praise God! Pray with them and help them understand what it means to be a child of God. There is an example prayer in the back of the "4 laws booklet".

If they say "**NO**" show them in a booklet (4 laws for example) where there is a prayer if in the future they change their mind. Example ending statement if they say they are not ready : "OK, so I know you said you are not ready to make this decision right now, and I understand this is a lot all at once, but there may be a day that you do want to start a relationship with Jesus. Here in the back of this booklet is an example prayer. I said something very similar to God when I gave my life to him. Also in this book is some Bible verses and things that I have shared with you."

Always leave with them 3 things:

∴ spiritual material – example: [Campus Crusade 4 Laws tract "Know God Personally?"](#)

∴ contact info for you personally

∴ invitation to an event (Sunday morning service, outreach event, church website...)

Part 3: Prayer

Always pray before and after you share with someone. As you approach them ask the Holy Spirit to guide you and open their heart. After you leave an appointment lift that person up in prayer while you walk away. Keep these people in your prayers. Start a list and wait for their email or phone call.

WHAT DO YOU THINK?

The Easter Survey

1. What is one thing you remember about Easter as a kid?

2. Give me 3 words that describe Easter for you?

3. Why do we celebrate Easter?

4. Do you have any plans this year for Easter?

5. Will you go to church this Easter?

6. Easter is a Christian holiday that celebrates the resurrection of Jesus from the dead. Christians believe that Jesus is alive now. What do you think Jesus is like and can he be known personally?

7. If you could know Jesus personally, on a scale from 1-10 how interested would you be?

1-2-3-4-5-6-7-8-9-10
